

Kansas: Annual Federal Funding for Clean Water Projects

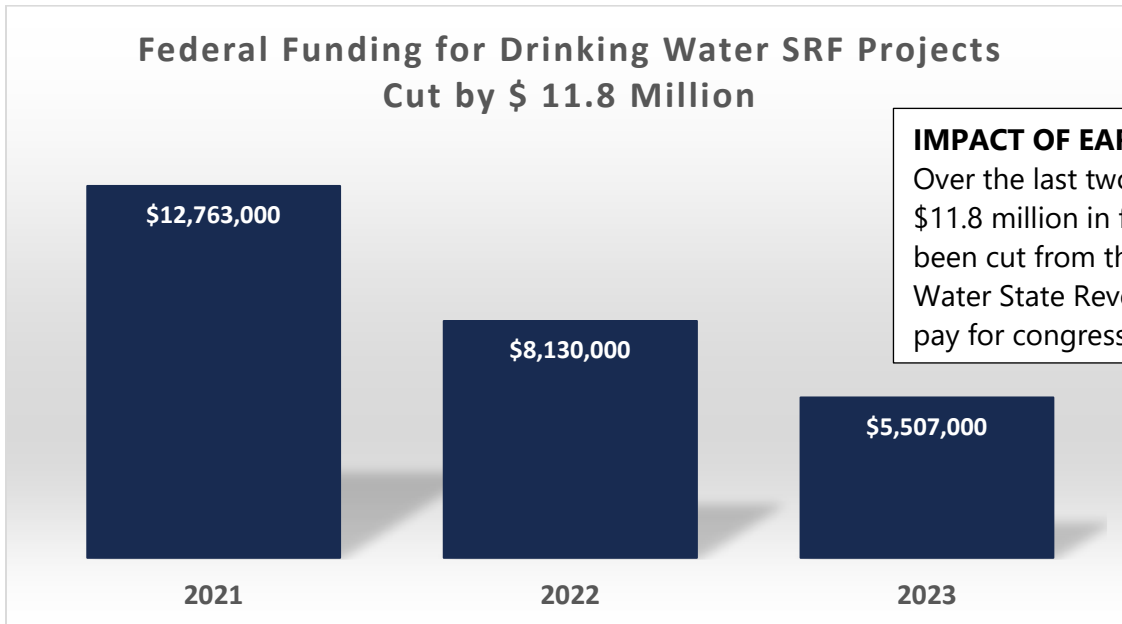

IMPACT OF EARMARKS
Over the last two years, more than \$11.4 million in federal funding has been cut from the Kansas Clean Water State Revolving Fund (SRF) to pay for congressional earmarks.

IMPACT OF EARMARKS: Since earmarks returned in 2022, net funding for clean water projects in Kansas (SRF funding plus earmarks) increased by more than \$12.6 million. However, in 2023, more than \$21 million went to two projects and the communities across the rest of the state had to compete for just one-third of the funding for earmarks.

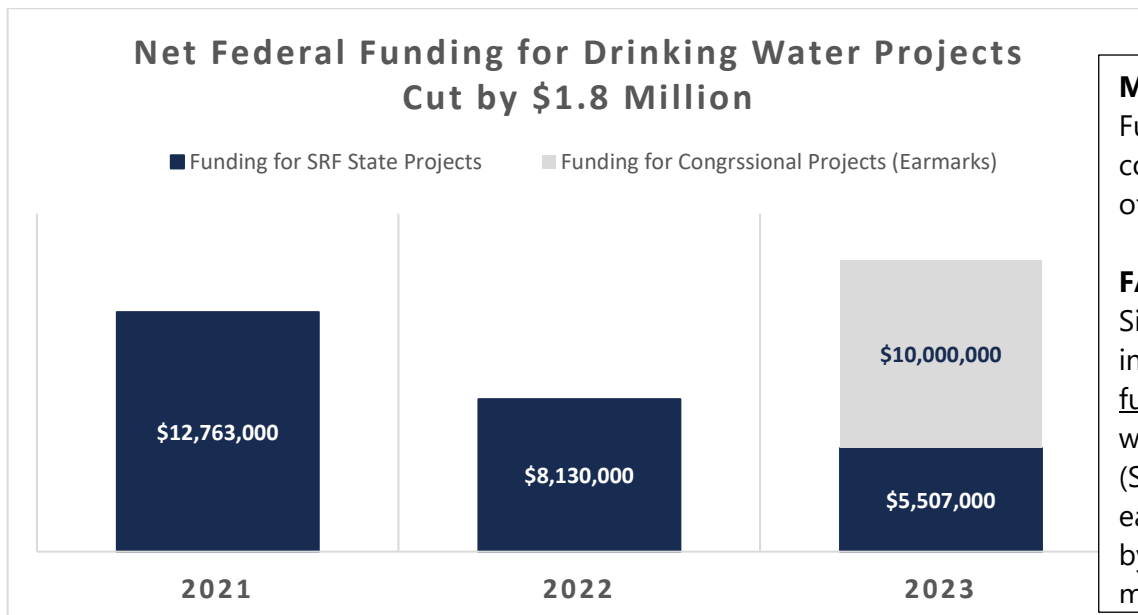

Kansas: Annual Federal Funding for Drinking Water Projects

IMPACT OF EARMARKS

Over the last two years, more than \$11.8 million in federal funding has been cut from the Kansas Drinking Water State Revolving Fund (SRF) to pay for congressional earmarks.

The allotment formula for the Drinking Water SRF was updated in 2023 based on the result of the 7th Drinking Water Needs Survey.

MYTH:

Funding for congressional earmarks offsets cuts to the SRFs.

FACT:

Since earmarks returned in 2022, net federal funding for drinking water projects in Kansas (SRF funding plus earmarks) has been cut by more than \$1.8 million.

The allotment formula for the Drinking Water SRF was updated in 2023 based on the result of the 7th Drinking Water Needs Survey.
